FOR IMMEDIATE RELEASE

WBG Scholarships Awarded to Cunningham Grad

On May 15, South Central Community Foundation awarded the WBG Scholarship to Clinton Betzen. Betzen, the son of Mark and Gwen Betzen, plans to attend Garden City Community College and major in the John Deere Agricultural Technology program, which is a twenty-two month program that will culminate in an Associate Degree.

Betzen has participated in National Honor Society, STUCO, and the PCC 2009 Academic Olympics, and he has maintained a 3.77 grade point average during his high school career. Betzen plans to live in and raise a family in south-central Kansas. According to Leann Garcia, Cunningham High School English teacher, Clint strives to do his best and his work ethic is unparalleled.

A family whose roots are deep in Kingman County established the WBG Scholarship, and it reflects their desire to support the educational efforts of students from this area. This award is given annually to graduating seniors of Cunningham High School.

The WBG Scholarship is being awarded to these seniors through the South Central Community Foundation, a regional foundation that manages charitable funds for the benefit of seven south-central Kansas counties. For more information about the foundation, please call 620-672-7929.
